

Lock-Jaw Olympic (# LJC-OLY)
2" / 50mm Olympic Barbell Collar

- Best choice for **Power-Lifting** workouts!
- Solid nylon injection molded frame
- FAST One-hand installation and removal
- Fits all Olympic barbell sleeves (2")

The original Lock-Jaw is the hands-down favorite barbell collar of coaches, retail stores, and commercial gyms around the world. Weighing less than a pound per pair, they are a great addition to any gym bag - yet outperform clunky metal collars.

Innovative design, exceptional durability, and superior performance make the Lock-Jaw collar the premier choice for any Olympic sized bar. Lock-Jaw Collars will withstand the toughest workouts and outperform the competition!

Specifications:	
Weight:	13.0 Ounces / .80-lbs per Set
Dimensions (each):	3.0" x 3.5" x 2.0"

Lock-Jaw Pro (# LJC-PRO)
2" / 50mm Olympic Barbell Collar

- Best choice for **Bumper Plate** workouts!
- Securely locking Snap-Latch
- One-hand installation and removal
- Fits all Olympic barbell sleeves (2")

The Lock-Jaw Pro Barbell Collar is specially designed for Bumper Plate use, Olympic Lifting, and Crossfit workouts. A permanent spring snap-latch keeps the collar secured on the bar through the most demanding workouts. The latch is easily released with one hand when changing weights.

Crossfit facilities around the world have made the Lock-Jaw Pro collar their barbell collar of choice! Lock-Jaw Pro collars will prolong the life of your bumper plates by keeping them secure throughout your workout!

Specifications:
